

Title: HIV/Blood-Borne pathogens

Policy  
No.: ADM 4.21

Date:  
Rev.: 6/27/2008

Areas Affected: All BSMSO Faculty

Page 1 of 2

**POLICY STATEMENT:**

The School accepts the NLN AIDS Guidelines for Schools of Nursing (located in the Library) with the following clarifications.

Policy Guidelines

- A. The Dean of the School makes evaluations and/or decisions on issues and/or problems on a case-by-case basis, and may form an ad hoc committee as needed.
- B. The Faculty Organization oversees the AIDS related educational content as it is integrated into the curriculum.
- C. The Faculty Development and Welfare Committee oversee the faculty-staff AIDS related educational offerings.
- D. The terms "College," "University" or "campus health services," as used in the NLN AIDS Guidelines, refers to Memorial Regional Medical Center Employee Health Service. The Employee Health Service handles counseling on a case-by-case basis. The individual must assume the cost for professional services unless covered by worker's compensation.
- E. The students and faculty follow these guidelines and, in addition, adhere to the policy and procedure of the clinical facility utilized. (See MRMC Standard Precautions Policies.)

**INSTRUCTIONS AFTER A BLOOD/BODY FLUID EXPOSURE**

If exposure occurs at a Bon Secours Richmond site:

**IMMEDIATELY:**

1. Wash or flush the exposed area.
2. Get the Red Exposure Packet from your clinical instructor.
3. Draw 3 amber SST tubes on the source client.
4. Notify Employee Wellness (EWS) at the clinical site. After hours, page the on-call EWS nurse at 515-9753. Enter the entire 7 digit call back number.
5. Complete the Acute Care Quality Care Report (QCC) included in the Red Packet. Forward completed packet to EWS at Windsor.
6. Notify EWS-Windsor at 627-5147 for additional follow-up.

If the exposure occurs at a non-BSR site:

1. Wash or flush the exposed area
2. Notify clinical instructor and site Supervisor.
3. Follow the exposure protocol of that facility.
4. Call EWS-Windsor at 627-5147.

**Student Instructions for an injury during Clinical**

1. Notify your clinical instructor.
2. Fill out Acute Care Quality Care Report (QCC) form in the Red Exposure Packet.
3. Submit completed QCC to Risk Management
4. If immediate medical treatment is needed, go to a Bon Secours Facility's E.R. or a facility of the student's choice.
