General Policies of Need Analysis

CPS performs need analysis on student receiving Title IV assistance. Bon Secours Memorial School of Nursing does not at this time use an institution methodology. Federal aid is awarded based on the student Primary EFC.

Calculating Federal Methodology

The Federal Methodology is the mechanism the OFA uses to award and disburse Title IV Aid. Bon Secours Memorial School of Nursing receives the ISIR electronically via EDE.

Standard Adjustments to Need Analysis

Standard Adjustments to Need Analysis are performed on a case by case basis by the Director of the OFA with sufficient documentation. Examples of Standard Adjustments are private school tuition or high medical expenses.
