Hampton Roads Good Help ACO MSSP Skilled Nursing Facility (SNF) 3-Day Rule Waiver

Bon Secours Mercy Health works with our post-acute Network partners to develop joint quality goals designed to enhance patient experience, patient safety and quality outcomes. Skilled Nursing Facilities (SNF) in the Bon Secours Post-Acute Network are identified and evaluated based on current relationships and willingness to collaborate on processes to improve care.

Skilled Nursing Facilities highlighted in **BOLD** type are those that the Bon Secours Mercy Health has a financial interest.

The Centers for Medicare & Medicaid Services (CMS) created Nursing Home Compare to help you make more informed decisions about where you get your health care. Below you will find the CMS' star ratings (range from 1 to 5 with more stars indicating better quality) based on a nursing home's performance in 3 categories: health inspections, staffing, and quality of resident care measures. The CMS "Overall rating" is based on nursing home's overall performance in the 3 categories. Additional objective data on these key quality measures and the overall star rating can be found on the website: <https://www.medicare.gov/nursinghomecompare/search.html>

MSSP Skilled Nursing Facility (SNF) 3-Day Waiver Affiliates

Your Medicare benefits do not change when using the ACO SNF 3-Day Rule Waiver. You have the option to choose any provider and the final choice is yours. The ACO SNF 3-Day Rule Waiver waives the requirement for a 3-day inpatient stay prior to Medicare-covered, post hospital, extended-care service for eligible beneficiaries if certain conditions are met. This allows Providers to directly admit to a SNF from multiple sites of care.

The following facilities are eligible for the ACO MSSP SNF 3-Day Rule Waiver.

SNF Facility Name	Address	County	Phone	CMS Overall Star Rating	Health Inspection Star Rating	Staffing Star Rating	Quality Measures Star Rating
