

Community Health Needs Assessment 2020-2022 Implementation Plan

Bon Secours St. Francis Health System Community Health Needs Assessment- Annual Implementation Plan 2020-2022

PRIORITY: CONNECTING HOUSING AND HEALTH EQUITY						
GOAL 1: Advocate for a comprehensive affordable housing strategy to address housing inequities in Greenville County and its municipalities.						
INTERNAL ASSETS	EXTERNAL ASSETS/PARTNERS	STRATEGY	2020-2021 ACTION STEPS (update annually)	RESPONSIBILITY	MEASURE OF SUCCESS	2020-2021 RESULTS
Walker Smith, Advocacy & Community Affairs	Homeless Alliance, Homeless Coalition, Triune Mercy Center, Impact Greenville, United Ministries, Sterling Land Trust, Greenville Housing Fund	1.1 Educate and advocate for policies and practices that specifically address the preservation of affordable housing in Greenville.	<ul style="list-style-type: none"> • Advocate for housing affordability with local City, County & State officials. • Use media to promote housing affordability and good health (Op Eds, TV, radio etc.) • Provide advocacy oversight of potential legislation & bills related to housing at the Federal, State & local levels. 	Deb Long, Walker Smith, (support role), Alex Garvey, Ph.D.	An advocacy platform exists for housing affordability in Greenville County.	

GOAL 2: Partner with organizations to address the housing affordability gap in Greenville.						
INTERNAL ASSETS	EXTERNAL ASSETS/PARTNERS	STRATEGY	2020-2021 ACTION STEPS (update annually)	RESPONSIBILITY	MEASURE OF SUCCESS	2020-2021 RESULTS
	Homeless Alliance Homeless Coalition Triune Mercy Center United Ministries Sterling Land Trust Habitat for Humanity Mauldin City Greenville Housing Fund Sterling Land Trust	2.1 Continue to actively engage with coalitions to address affordable housing strategies and homeless issues. 2.2 Seek additional funding to maintain staffing and capacity of the Sterling Land Trust to focus on affordable housing initiatives.	<ul style="list-style-type: none"> Actively engage with organizations working to improve housing (attend meetings, committee participation) Submit requests to local funders for staffing and capacity building (such as Hollingsworth, United Way, Community Foundation, etc.) The Clemson University School of Architecture will provide in-kind support to the Land Trust's Phase 2 housing development. 	Deb Long, Carmen Ogles, (support role) Deb Long	<ul style="list-style-type: none"> Partners continue to meet and collectively work on goals, policy change, etc. Increase in the number of affordable housing units as measured by the County and the City. Sterling Land Trust remains structurally strong and staffed and continues to lead affordable housing initiatives in Greenville. Architectural design developed for 6 parcels of land owned by the Land Trust. 	
		2.3 Build an additional three Habitat for Humanity Homes in the Sterling community.	<ul style="list-style-type: none"> Builds to occur in September each year. 		<ul style="list-style-type: none"> 3 homes built and occupied by 2022. 	
		2.4 Partner with Mercy Housing SE to bring 46 units of affordable housing to Mauldin.	<ul style="list-style-type: none"> Break ground in 2020 on housing units. 		<ul style="list-style-type: none"> All units completed and occupied by 2021. 	

GOAL 3: Expand housing for women affected by domestic violence.						
INTERNAL ASSETS	EXTERNAL ASSETS/PARTNERS	STRATEGY	2020-2021 ACTION STEPS (update annually)	RESPONSIBILITY	MEASURE OF SUCCESS	2020-2021 RESULTS
Bon Secours Nurse Practitioner Bon Secours Behavioral Health	-Jasmine Road Triune Mercy Center Christ Church	3.1 Expand additional housing units/facility in partnership with Jasmine Road.	<ul style="list-style-type: none"> Leverage funding resources to support the costs of expansion of Jasmine Road housing. 	Alex Garvey, Ph.D. Deb Long, (support role)	An additional house is rehabilitated and occupied by Jasmine Road participants in 2020/2021.	
PRIORITY: BEHAVIORAL HEALTH						
GOAL 1: Actively address behavioral health issues in the Upstate through community and partnership-based collaborative approaches.						
INTERNAL ASSETS	EXTERNAL ASSETS/PARTNERS	STRATEGY	2020-2021 ACTION STEPS (update annually)	RESPONSIBILITY	MEASURE OF SUCCESS	2020-2022 RESULTS
	<ul style="list-style-type: none"> PRISMA Spartanburg Regional Behavioral Health Department United Way Miracle Hill FAVOR Phoenix Center SCHA Behavioral Health Coalition 	<p>1.1 Actively engage in, provide leadership to, and support goals of key collaboratives collectively addressing behavioral health in the state and Upstate. These specifically include:</p> <ol style="list-style-type: none"> SCHA Behavioral Health Coalition Greenville County Behavioral Health Coalition Upstate Behavioral Health Provider Collaborative EchoRX Coalition 	<ul style="list-style-type: none"> Promote Resource Guide/Directory coming out of Greenville County Behavioral Health Coalition. Add resource guide on the IRIS list. Ensure resources in Spanish (resource guide, speakers bureau, etc.). Offer education opportunities to all, with specific outreach to faith-based Hispanic groups. 	Dr. Felkel, M.D. Lori Center	<ul style="list-style-type: none"> Resource Guide is accessible in English and Spanish (with potential third language, Vietnamese). 	

GOAL 2: Increase education, early detection and easy access to behavioral health interventions through BSSFHS access points.						
INTERNAL ASSETS	EXTERNAL ASSETS/PARTNERS	STRATEGY	2020-2021 ACTION STEPS (update annually)	RESPONSIBILITY	MEASURE OF SUCCESS	2020-2022 RESULTS
		2.1 Begin implementation of the Columbia-Suicide Severity Rating Scale (C-SSRS) in combination with the already-established Patient Health Questionnaire (PHQ-9) depression screening in the ambulatory settings.	<ul style="list-style-type: none"> Roll out in ambulatory settings starting in November 2019. Create and post educational Connect Care University. Continue to support system initiatives and create pathways to ensure its success in the local markets. 	Dr. Felkel, M.D. Lori Center	<ul style="list-style-type: none"> Support system initiative and create pathways to success locally. Universal suicide policy rolled out 	
	<ul style="list-style-type: none"> United Way Behavioral Health Coalition 	2.2 Provide behavioral health and early detection education and awareness to faith-based organizations (include training on the C-SSRS).	<ul style="list-style-type: none"> Continue to hold community events for removing barriers (focused on training and screening for suicide) – United Way, faith round table to educate the ministers. Continue to engage the faith-based community and provide honest dialogue. 	Dr. Felkel, M.D. Lori Center		

		2.3 Expand pathways to behavioral health education and training for providers to increase the behavioral health workforce.	<ul style="list-style-type: none"> Provide scholarships for 2 RN employees each year to become Psychiatric Mental-Health Nurse Practitioners. Create a hiring strategy for increasing behavioral health professionals. 	Students identified Department Support / Human Resources, Mission, Nursing, Behavioral Health collaborations	<ul style="list-style-type: none"> Successfully hire additional behavioral health professionals. Increase access to behavioral health services and providers. 	
GOAL 3: Expand community addiction service resources.						
INTERNAL ASSETS	EXTERNAL ASSETS/PARTNERS	STRATEGY	2020-2021 ACTION STEPS (update annually)	RESPONSIBILITY	MEASURE OF SUCCESS	2020-2022 RESULTS
		3.1 Implement Screening, Brief Intervention, and Referral to Treatment (SBIRT) practices “used to identify, reduce and prevent problematic use, abuse, and dependence on alcohol and illicit drugs” (SAMHSA.gov); and subsequently provide Medication Assistance Treatment (MAT) to behaviorally vulnerable individuals in the acute setting.	<ul style="list-style-type: none"> Roll out DT and Eastside SBIRT by July 2020. Train providers/nurses in SBIRT. 	Dr. Felkel, M.D. Lori Center	<ul style="list-style-type: none"> Implement and complete trainings for providers/nurse in SBIRT. Continue to support system initiatives and determine the strategy 	
	<ul style="list-style-type: none"> FAVOR Phoenix Center Legacy Charter School 	3.2 Work in partnership with the Phoenix Center to provide behavioral health support for students and families at Legacy Charter School or another identified school.	<ul style="list-style-type: none"> Explore the potential with Phoenix Center and the Legacy Charter School and continue to work with both or another school. 	Deb Long	<ul style="list-style-type: none"> Improved behavioral health awareness among families and children. 	

PRIORITY: OBESITY AND RELATED CHRONIC CONDITIONS

GOAL 1: Reduce one or more modifiable risk factors associated with chronic disease in two identified adult populations.

INTERNAL ASSETS	EXTERNAL ASSETS/PARTNERS	STRATEGY	2020-2021 ACTION STEPS (update annually)	RESPONSIBILITY	MEASURE OF SUCCESS	2020-2021 RESULTS
<ul style="list-style-type: none"> • Prediabetes Program • Community Health Promotion Team • Nurse Health Promotion Specialist • Behavioral Health • HealThy Self 	<ul style="list-style-type: none"> • Free Clinic • LiveWell • Hispanic Alliance • San Sebastian • Clemson Extension Services • Upstate International • Our Lady's Pantry 	<p>1.1 Continue to provide education, programming and activities addressing nutrition, physical activity and behavioral health to underserved populations through a partnership with the Free Clinic.</p>	<ul style="list-style-type: none"> • Review current resources and opportunities with the Greenville Free Medical Clinic (GFMC). • Review results of previous program & refine program elements as appropriate. • Partner with Clemson Extension to implement Diabetes Prevention Program (DPP) at the Free Clinic in 2020. (target participants BMI > 24, age 18+, 50% pre-diabetic). • Develop a data collection plan and agreement with the Free Clinic before beginning of DPP implementation. 	<p>GFMC identified staff, HealThySelf staff members</p>	<p>TBD based one developed measurement plan; potential measurements:</p> <ul style="list-style-type: none"> • BMI • Pre/post test • Healthy eating and exercise behavior change • Perceived health • Diabetes screenings 	
		<p>1.2 Replicate the African American Faith-based health model in targeted Hispanic Communities with a focus on heart disease, diabetes & colon cancer (18-64 years and age 65+)</p>	<ul style="list-style-type: none"> • Implement educational programming and resource opportunities from the American Diabetes Assoc. and LiveWell for service delivery at San Sebastian. • Reach out to the Mill Village Food Share program for healthy nutrition boxes (incentive for participation in programming). 	<p>Irene Pena Carmen Ogles, (support role)</p>	<p>-Pre/post testing for elevated blood pressure -Increased awareness of risk for diabetes -Medical home follow-up</p>	

		1.3 Work with partners to refine/improve tracking and metrics (BMI and other appropriate measures).	<ul style="list-style-type: none"> Explore partnerships with local/Upstate Universities for community-based research. Work with a University researcher to develop a measurement plan by 1st Q 2020. 	Natalie Dougherty	Measurement plan is developed	
GOAL 2: Increase knowledge and awareness of the prevention of childhood obesity.
