Parents/Guardians of minors please review these expectations of you and your child.

- I verify my child has read all the required information and understands the commitment they are making to become a student volunteer.
- I will ensure his/her transportation to and from the hospital. I understand that he/she cannot arrive at the hospital more than 30 minutes prior to his/her assigned volunteer shift and must be picked up within 30 minutes of the end of the volunteer shift. Any deviation from this must be brought to the attention of the Director of Volunteers.

- I understand my child must schedule and attend an interview. I understand the interviews are group interviews and will begin at the specified time and anyone late will have to reschedule.
- I understand all the required paperwork must be submitted at least one week (7 days) before the interview. I understand if the required paperwork is not presented at least one week prior to the interview, the interview can be rescheduled if there are available openings. No exceptions.
- I have reviewed all the requirements posted on line concerning the 2022 Student Volunteer program and understand failure to comply with the requirements, policies, rules and regulations may result in my child's name being removed from consideration into the program or termination from the program.
- I have reviewed the dates of our preferred session and there are no other commitments that interfere with any of these dates and agree my child is available to be present all the days of the session we chose.
- I understand my child must complete the orientation prior to beginning the student volunteer program and paperwork must be submitted on or before the due date.
