

St. Mary's Hospital School of Medical Imaging

Radiologic Technology Program Mission

The Bon Secours St. Mary's Hospital School of Medical Imaging is dedicated to providing students with a comprehensive education in Radiologic Technology, which facilitates successful entry into the field of Diagnostic Medical Imaging. The School encourages students to embrace the values of Bon Secours Mercy Health and to further their professional and personal growth. Our program seeks to promote commitment to the integrity of the profession, to develop strong communication skills, and to foster the ability to work within a team environment.
